Windows Ink

Get important tasks done with inking, such as editing Word docs, PowerPoint slides or doing maths equations—all with your digital pen included with your Leader device.

Windows Hello

No need to remember passwords anymore. With Windows Hello you'll get enterprise-grade security without having to type in a password via the fingerprint reader.

Cortana

Cortana is designed to help you get things done. She is great at reminders and can remind you to do things based on time, places or even people.
